"ANGRY SEA MONKEYS"

FADE IN:

EXT. TOWER - DAY

A bright, sunny day. A T-shaped glass, multilevel apartment complex sits perched on a ragged bluff. A rolling ocean surrounds it with over-head sets. Across the waterway is a modern metropolis.

INT. TOWER - KITCHEN - CONTINUOUS

The kitchen is clean, except for the kitchen table. Strewn across it are bread, tofu, tomatoes, lettuce, a toppled mayonnaise jar, and empty pickle jar.

BEAST BOY INHALES, deeply. Drool and spittle drip down his chin. A humongous, mile-high, over-stacked SUBMARINE SANDWICH towers in front of him. It's stuffed with a large PICKLE.

BEAST BOY

My colossal-triple-decker-ultimate-supreme.

Beast Boy CHOMPS down. MAYONNAISE drips down his chin. He SMACKS his lips in delight, devouring the sandwich in one gulp.

BEAST BOY (CONT'D)

(mouthful)

Totally and spectacularly delicious!

CYBORG enters, carrying a green and blue BOX. He places it on the kitchen cabinet next to the sink. Beast Boy's interest is piqued.

BEAST BOY (CONT'D)

Dude! What you got there?

Cyborg opens the box, and removes a small AQUARIUM and sealed PACKET. CLOSE on packet reading "Live Eggs."

CYBORG

Sea Monkeys. I'm going to hatch them.

BEAST BOY

Totally rad!

Beast Boy grabs the box. Imprinted on it is a smiling monkey wearing a crown. Cyborg **RIPS** the box from his hands.

CYBORG

And they're mine!

BEAST BOY
Chill out, man! I want to help.

Beast Boy reaches out. Cyborg **WHACKS** him away!

CYBORG
Like I said. No!

SPLAT! Beast Boy hits the wall, and plummets to the floor. He's woozy and wobbly. SEA MONKEYS spin around his head.

BEAST BOY
That is so not cool, dude.

CYBORG
Yeah... and whatcha going to do about it?

Cyborg fills the tank with water. He holds the packet in his hand, and is about to tear it in half when...

Beast Boy bolts upright.

BEAST BOY
You have left me with no other choice.

STEAM **JETS** out his EARS. Beast Boy plugs his ears. Cyborg turns, terrified.

CYBORG
You don't mean...?

BEAST BOY
Yes... !!!

Yellow-green GAS jets out his ASS. **PFFFFTTT!**

BEAST BOY (CONT'D)
Killer farts!!

Cyborg grabs his nose, **GAGGING!** He falls to his knees.

BEAST BOY (CONT'D)
Totally deadly and effective!

Beast Boy snatches the packet of eggs.

BEAST BOY (CONT'D)
And now... they're mine!

Hunched over, Cyborg yanks the packet away.

CYBORG
Give that back!

Beast Boy transforms into an **APE**.

BEAST BOY
Not if I can help it!

Beast Boy Ape leaps onto Cyborg's shoulders, and clasps the packet. Cyborg won't let go.

CYBORG
Never!!

Tug-of-war.

Cyborg and Beast Boy spin around the room. The kitchen table and chairs elevate, and spin in the mini-tornado. A **CHAIR CRASHES** against the wall.

BANG! Beast Boy and Cyborg collide into the wall. **SMACK!** They plow into the kitchen counter. **SMASH!** They fight to hold onto the small packet, with a tight grasp on each corner.

CYBORG (CONT'D)
Here let go of my egg--!

ON PACKET. A small tear... **RIP!** Cyborg freezes. He stares as the packet tears in SLOW MOTION.

CYBORG (CONT'D)
Stopppppp!!! It's gonna--

Beast Boy yanks... **RIPPPPP!** The packet splits in half.

CYBORG (CONT'D)
(quietly)
--tear.

ON teeny white EGGS falling down into...

THE KITCHEN DRAIN

Using his bionic eye, Cyborg stares down the drain. His infrared **ZOOMS** in on the eggs plunging, and spiraling down the lead pipe.

INT. TOWER, KITCHEN - CONTINUOUS

Cyborg stands bent over the sink. Slowly, he turns to face Beast Boy. His fists clenched, seething. Beast Boy shrugs.

BEAST BOY
Sorry, Dude! Burial at sea.

Beast Boy turns on the tap water for a brief moment, and salutes. Cyborg's circuits **KRACK! SIZZLE!** Then, **SNAP!** Cyborg charges.

CYBORG
Ughhhhhhhh!!!!

Startled, Beast Boy transforms into a BIRD and darts out of the room.

BEAST BOY
Dude! It was an accident!!

Cyborg bolts after him.

CYBORG
Get back here!

INT. KITCHEN DRAIN - CONTINUOUS

The eggs BOUNCE against the walls of the steel pipe. Water strikes them... **FIZZLE! CRACK! POP!** Eggs spin rapidly out of control.

Miniature SEA MONKEYS burst out of the cracked eggs and spiral down the metal maze until they reach...

EXT. OCEAN, UNDERWATER SEWAGE PIPE - MOMENTS LATER

Sea Monkeys **SPURT** out of the pipe, and whirl into the clear blue water. They stop spinning, then look around. High-pitched **GIGGLES!**

SEAWEED floats up from the ocean floor. A school of tiny ANGEL FISH swim past. The Sea Monkeys **JABBER**, gleefully.

SEA MONKEYS
(bubbly speech)
Oo-ooo-ee-ahh! Ahh-ahh-bimayah!

They scatter and swim between the seaweed, darting through an old TIRE on the ocean floor.

CUT TO:

INT. TOWER, LIVING ROOM - DAY

RAVEN sits on the sofa, meditating in lotus position. Opposite Raven: STARFIRE lies prostrate on the sofa dangling her legs over the armrest.

SILKIE snuggles under her arm, her tail lifted up on the same armrest.

STARFIRE
(sighing)
Uhhhh....

Raven hears her, but chooses to ignore her. Noticing no reaction, Starfire **SIGHS** even louder.

STARFIRE (CONT'D)
Uhhhhhhhhh.....!

Raven's eyebrow raises. She remains in perfect lotus position.

RAVEN
 (dryly)
 What is it?

STARFIRE
 I'm bored.

Starfire bounces her foot up and down. Raven glances over.

RAVEN
 (dryly)
 Really? I couldn't tell.

WIDEN ON ELEVATORS - CONTINUOUS

The elevator doors slide open. ROBIN ZOOMS out, waving a FLYER in his hand.

ROBIN
 Great news! I found the perfect way
 to start our summer vacation.

Starfire sits upright, and elevates above the sofa. She CLAPS her hands together in excitement.

STARFIRE
 We're going to have a party? How
 about a barbecue?! And tiki torches?!

ROBIN
 Uh... No.

Starfire slumps back into the sofa. **Hmpff!!** Raven ignores her, casually glancing over at Robin.

RAVEN
 (sarcastically)
 You're going far away.

Robin stares at her, irritated.

ROBIN
 Grrr.....
 (then dryly)
No.

RAVEN

Bummer!

Suddenly, Cyborg chases Beast Boy, still a bird, into the room. Beast Boy hovers above Robin's head, and... **PLOP!**

BEAST BOY

Sorry, dude! Blame it on the pickle!

Robin wipes away the white goo sliding down his face. **GRUNT!**

ROBIN

I am not amused.

Cyborg skids across the room. **SCREECH!** He stops a mere inch from the tip of Robin's nose. Robin glares at Cyborg.

ROBIN (CONT'D)

Out of my personal space!

Cyborg backs up.

CYBORG

My bad!

ZIP! Beast Boy transforms back into himself. He grabs the flyer clasped in Robin's hand.

BEAST BOY

What's this?

Beast Boy opens the flyer. **CLOSE** on flyer, reading "Pirate's Cove Beach." Imprinted on the flyer is a **SURFER** standing in front of a longboard.

BEAST BOY (CONT'D)

Cowabunga! Surf is up!

Beast Boy leaps onto the sofa's armrest, and mimics riding ten.

CYBORG

Booyah! Beach time!

Starfire bolts upright, holding Silkie in her arms.

STARFIRE

The beach?! Oh my gosh!

(pause)

I can wear my new bikini!

ROBIN

(sotto)

Oooohhh...

Robin tries to speak, but he can't. Perspiration pours down his face.

ROBIN (CONT'D)
Ugh... I... uhmm...

Robin clasps his shirt collar. He can't breathe. **WHEEZE!**
WHEEZE! Robin grabs a paper bag, and breathes into it.
Raven glances over at him.

RAVEN
That's so disturbing.

Raven waves her hand and recites an incantation.

RAVEN (CONT'D)
(flatly)
Azarath Metrion Zinthos!

ZAP! Lightning bolts strike Robin's chest. He stops mid-
WHEEZE! He quivers, then: **GASPS.** He takes in two deep
BREATHS. He peers into the bag and removes:

ROBIN
A thong?

Robin starts to SHUDDER. He holds a metallic THONG into the air. Starfire looks at Raven, confused. Raven has no clue.

STARFIRE
It's not mine.

RAVEN
Never seen them before.

BEAST BOY
Dude! They're so big. Like, huge!

The team face Cyborg. Cyborg **STUTTERS**, embarrassed.

CYBORG
I... I... They're comfortable! Okay?!

Cyborg snatches the thong away. Robin GAGS.

ROBIN
(revolted)
That's gross, Cyborg!

STARFIRE
You can wear them at the beach!

RAVEN
That's even more disturbing.

Cyborg shoves the thong in his pocket. Beast Boy's foot POUNDS the floor. He waves the flyer in the air.

BEAST BOY

So...?

Robin stands up straight, composed.

ROBIN

To the beach! Go, Titans! Go!

CUT TO:

EXT. RADIATION TOXIC WASTE PLANT - SAME DAY

A skull and radiation WARNING SIGN hangs on a pipe stack. Grey SMOKE billows from the top. Bubbling radioactive GREEN SLUDGE flows into a large drainage pipe leading from the plant to the ocean.

INT. OCEAN, TOXIC WASTE SEWAGE PIPE - CONTINUOUS

SLUDGE seeps out of a drain pipe into the ocean. The glowing fluid swirls around a tattered BOX-SPRING, POP CANS, and OLD BOOT. The seaweed nearby is black, and rotted.

The angel fish swim past BIN-LADEN'S floating CORPSE. They become enveloped in the toxic waste. **BAP! ZING! BOP!** Their bodies transfigure into angry black DEVIL FISH, with piranha-like teeth and glowing red eyes.

WIDEN to see the happy-go-lucky sea monkeys playing, and being pulled in the ocean's current toward the drain pipe. Moving closer, and closer...

CUT TO:

EXT. BEACH BOARDWALK - THAT SAME DAY

A bustling boardwalk with amusement park. A roller coaster car RUMBLES down a steep slope. SCREAMS O.S. The ferris wheel gently rotates.

Hold on sign says "Pirates Cove Beach." PAN the white sandy beach to the epic waves crashing on shore. SURFERS rip. SUNBATHERS lie under colorful beach UMBRELLAS.

PUSH IN.

EXT. BEACH UMBRELLA - CONTINUOUS

Silkie basks under a BEACH UMBRELLA, sipping on an iced soda. Starfire, in a bikini and wearing diva-sunglasses, stretches out with glee on the beach blanket. She looks across at...

STARFIRE
Aren't you hot?!

Raven sits in the hot sun, wrapped in a thick CLOAK. She reads a BOOK.

RAVEN
Hell... That's hot. This is comfortable.

Starfire smears suntan LOTION on her arms, and legs.

STARFIRE
Lotion?

RAVEN
I don't burn. It's genetic.

EXT. UP THE BEACH - CONTINUOUS

Cyborg **CLICKS** a button on his arm. A magnetic-amplifying SPHERE ejects, emitting circular magnetic-sonic waves.

CYBORG
Using my magneto-sonic magnifier we can find the sunken treasure!

Beast Boy looks out to sea. A PIRATE'S FLAG hoists above his head, then vanishes.

BEAST BOY
We'll be gazillionaires!!

With greedy jubilation:

CYBORG / BEAST BOY
To the sea!!!

Cyborg extends his forearm and pushes a red BUTTON. **ZIP!** A BUBBLE SHELL encapsulates him. Beast Boy transforms into a CRAB. Together, they vanish into the ocean depths.

EXT. BEACH BLANKET - CONTINUOUS

Starfire looks out toward the ocean, and lowers her sunglasses. Interested and curious.

STARFIRE
Isn't that...?

Starfire stands up and waves. Silkie stops drinking her soda to look.

STARFIRE (CONT'D)
Robin! Robin!!!

RAVEN
 (to self)
 This ought to be good.

EXT. FIVE-FOOT OCEAN WAVE - CONTINUOUS

Robin hangs ten on a LONGBOARD.

STARFIRE (O.S.)
 Robin! Over here!!!

Robin sees the voluptuous Starfire. He **GULPS**. Suddenly the wave crests, slamming him head-first into the ocean's depths.

EXT. BEACH BLANKET - CONTINUOUS

Starfire scratches her head, confused. She plops down on the beach blanket. Silkie resumes sipping on her soda.

STARFIRE
 Isn't he supposed to stay on top of the wave?

Raven peers over the book cover to look at her.

RAVEN
 Supposedly.

EXT. OCEAN, UNDERWATER - CONTINUOUS

Robin twirls and twirls in the rip current. He holds his breath. His face **BULGES**. He tumbles and tumbles, until...

BEAST BOY
 I've got you, dude!!

Cyborg points. Beast Boy crab scuttles to Robin. Robin's eyes bulge. He can't breath. He waves his arms, frenetically. **BUBBLES** float up to the surface.

ROBIN
 Can't breath.

A claw grabs Robin's **BOARD SHORTS**, flinging Robin out of the water. Cyborg points at the board shorts gripped in Beast Boy's claw. Beast Boy looks down, and shrugs.

BEAST BOY
 Not mine, dude.

CYBORG
 Give them to me!

Cyborg grabs the shorts, and rocket launches them toward the beach.

EXT. BEACH BLANKET - CONTINUOUS

A wave crashes against the shore. Robin lands head first into the sand next to the beach blanket. His **NAKED BUTT** sticking up in the air.

STARFIRE
Nice tan, Robin.

Robin **POPS** his head out of the sand. Seeing Starfire, Raven, and Silkie, he covers his butt with his hands. **BOARD SHORTS PLOP** onto Robin's head.

ROBIN
Starfire..?! Raven...?! I... I...
I'll be right back!

Raven lifts a reflective tanning **VISOR** to her neck, disinterested. Silkie flips onto her chest.

RAVEN
Whatever.

Robin grabs the shorts, and scampers toward the pier. He hides between the pylons. Starfire watches him scamper off.

INT. OCEAN, UNDERWATER - MOMENTS LATER

Cyborg points to an ancient **SHIP'S MAST** sticking out of the sand.

CYBORG
Look! Over there!

Beast Boy still a crab, transforms into a **SEA HORSE**.

BEAST BOY
Finder's keepers, dude!

Beast Boy gallops toward the ship. Cyborg **CLICKS** a **BUTTON** on his **BELT**. **MINI-PROPELLERS** eject from his heels, spinning. He **ZOOMS** toward the sunken **WOODEN SHIP**.

INT. OCEAN, TOXIC SEWAGE PIPE - MOMENTS LATER

The **SLUDGE** swirls around the **GIBBERING** sea monkeys. Their eyes **SPIN** in their sockets. Their bodies spasm, and contort.
BING! BOP! ZING!

The sea monkeys metamorphose into three **LIZARD-LIKE** creatures: **SLICK**, black-glistening skin, **PUSTER**, deep crater-like eruptions, and **ERUCTUS**, jagged scaly skin. The creatures expand, growing larger, and larger.

INT. SUNKEN TREASURE SHIP - SIMULTANEOUS

Beast Boy and Cyborg enter through a shattered hole in the ship's side. They swim past a SKELETON in tattered clothing, and empty BARRELS. Cyborg pushes a button, the magnet ejects.

Nothing. Out of nowhere a POP CAN strikes the sphere. Beast Boy stares at it, disappointed.

BEAST BOY
We just need more juice!

Cyborg increases the intensity by two notches. Magnetic-sonic WAVES pulsate from the sphere. They wait.

BEAST BOY (CONT'D)
I don't think it's working, dude.

CYBORG
That's the safest level, anything higher and--

Beast Boy reaches over and pushes the button down to MAXIMUM. It FLASHES red, "Warning."

BEAST BOY
Dude, chill. Nothing's going to happen.

Gold DOUBLOONS float up, striking the boat's PLANKS. They break through the fissures, hitting the sphere. **PING-PING-PING!!!**

CYBORG
Booyah!! We're rich!

Beast Boy and Cyborg shove the bounty into the sack.

INT. OCEAN, NEAR TOXIC SEWAGE PIPE - A MOMENT LATER

The magneto-sonic waves envelope the creatures. Their eyes flash iridescent red. BUBBLES erupt as they **SCREEEECHHH!** Their growth rate accelerates.

Magneto-sonic waves envelope Bin-Laden's corpse. His eyes flutter open.

Slick licks his lips, and swallows Bin-Laden whole. The creature's face turns pale. It grabs its stomach and heaves, spewing Bin-Laden out. The slime-covered corpse floats away.

RESUME

A CANNON bursts through the wooden planks. It flies head-on toward Beast Boy and Cyborg.

BEAST BOY

Dude! Turn it off! Turn it off!!

The cannon ZOOMS toward them. Beast Boy squeezes his eyes shut, anticipating impact. Cyborg slides the EMERGENCY CONTROL PANEL when a GOLD DOUBLOON jams it.

CYBORG

I'm trying!

Cyborg yanks the panel off, tosses the doubloon away, and hits the EMERGENCY OFF SWITCH.

The WAVES stop. Beast Boy peeks out. The cannon stops an inch from his nose. Then: The cannon plummets downward, **SMASHING** through the planks toward the sandy bottom.

Cyborg and Beast Boy stare down through the hole.

BEAST BOY

That was close, dude.

SCREEEECHHH!! Cyborg and Beast Boy look up.

BEAST BOY (CONT'D)

What was that?

STOMP! STOMP!! STOMP!!! The wooden deck bounces upward.

CYBORG

Never mind! Do you feel that?!

CRUNCH!!! A humongous, scaly, CLAWED FOOT breaks through the ship's rafters, **SMASHING** it to smithereens.

CYBORG / BEAST BOY

Eiyahhhh!!!!

Cyborg and Beast Boy escape through the ship's cracked port-side just before another clawed foot **CRASHES** down around him.

EXT. SUNKEN TREASURE SHIP - CONTINUOUS

Slick, Puster, and Eructus **STOMP** on the ship, pulverizing it. They **GIGGLE** in delight. Cyborg and Beast Boy watch a short distance away.

CYBORG

We have to get help--

BEAST BOY

--and warn the others.

Cyborg pushes a **BUTTON** on his belt. He jet-rockets toward the beach. Beast Boy gallops alongside him.

EXT. BEACH BLANKET - CONTINUOUS

Under the beach umbrella, Starfire and Robin **MUNCH** down on a bucket of **FRIED CHICKEN**. Silkie **SUCKS** a **DRUMSTICK** clean. Raven reads a **BOOK**, basking in the sun.

At the shore-line, Cyborg jet-thrusts out of the ocean. Beast Boy transforms into a boy. They run up the beach, **SHOUTING**:

BEAST BOY
The creatures are coming!

Cyborg **CLICKS** a **BUTTON**, the **BUBBLE SHIELD** disappears.

CYBORG
And they're mean, and fug-ugly.

Raven places her book down.

RAVEN
This doesn't sound good.

Slick, Eructus, and Puster emerge from the water, **SCREECHING**. **SWIMMERS** and **SURFERS** flee. **SUNBATHERS** run.

STARFIRE
Oh gosh!!!

BOARDWALK MUSIC, O.S. The creatures hear the music and head toward the pier.

ROBIN
They're heading towards the boardwalk!

Starfire elevates into the air. Raven levitates upward. Robin takes his famous stance.

ROBIN (CONT'D)
Teen Titans to the rescue! Go,
Titan's Go!!

Silkie snuggles into the blanket, basking in the sun. She **SIGHS**.

EXT. BOARD WALK PIER - A MOMENT LATER

PEOPLE flee off the pier. Eructus grabs the **HOT DOG STAND**, and wolfs down the cart. Cyborg taps his shoulder.

CYBORG
Not so fast, ugly.

A round of ROCKET SHELLS emit from Cyborg's robot arm. **RAT-A-TAT-TAT!**

Eructus spasms. **SCREECHING**, Eructus yanks a pylon from the pier. It's batter's up. It swings. **WHACK!** Cyborg smashes against the entrance sign, slumping to the ground.

Beast Boy transforms into a SHARK. He dives headfirst onto Slick's tail, and BITES down. Slick thrashes Beast Boy back and forth, flinging Beast Boy headfirst into the pavement. It cracks. Raven's eyes blaze, enraged.

RAVEN

I don't think so.

She levitates into the air.

RAVEN (CONT'D)

Azarath Metrion Zinthos!

A humongous black FIST punches Slick in the face, and again. Slick shakes its head, **SCREECHING**. It opens its mouth. A radiant RAY is expelled, blasting Raven butt-first into a POPCORN MACHINE. Stray kernels **POP** around her head.

Robin charges down the pier, holding a STAFF ROD. Puster plugs a nostril, and GRUNTS. BLACK SLIME shoots out of his nose, pinning Robin against the Ferris Wheel. He rotates.

ROBIN

Great!

Starfire's green eyes FLAME. Puster's eyes glare red. Starfire flies toward him. LIGHTNING BOLTS blast from her hands. **ZAP! ZAP! ZAP!!** Puster absorbs them, and grows larger.

STARFIRE

Oh, no!

Puster spews black SNOT from his nose. Starfire darts out of the way.

STARFIRE (CONT'D)

Ha! Missed!

Infuriated, Puster grabs a ROLLER COASTER CAR rolling down the track. It heaves the car, **SLAMMING** Starfire against the HOUSE of MIRRORS. **SHATTER!**

STARFIRE (CONT'D)

Kraken! Just my luck!

Slick, Puster, and Eructus continue their rampage, **SMASHING** TOURIST SHOPS and ARCADE BOOTHS and devouring a PIZZA SHOP.

Cyborg, Robin, Raven and Beast Boy unite at the ocean's edge. Their clothes torn. They are beaten.

STARFIRE (CONT'D)

What are we going to do?

CYBORG

Nothing seems to work.

RAVEN

They're absorbing energy.

Reluctantly, Robin makes his decision.

ROBIN

Release the secret weapon.

Cyborg, Beast Boy, Starfire and Raven stare at him in shock.

RAVEN

You're not serious.

STARFIRE

Isn't that dangerous?

CYBORG

Are you sure? He has no control.

ROBIN

We have no choice. It's up to you, Beast Boy. Cyborg, you know what to do.

BEAST BOY

Totally dope!

CYBORG

I guess a man's gotta to do, what a man's gotta do.

Beast Boy transforms into KING KONG. He beats his chest, **ROARING**. The creatures stop, and turn. Seeing a giant MONKEY, they **SQUEAL** in delight and run toward him.

STARFIRE

Hurry, they're coming!

Beast Boy bends over, butt up in the air. He's aimed directly toward the creatures.

BEAST BOY

You can't rush perfection.

A FLAME GUN extends from Cyborg's arm. Raven, Starfire, and Robin PLUG their noses.

ROBIN

Let 'er rip!

Beast Boy **GRUNTS!** **PFFTTT!!!** The fart never seems to end. Cyborg hits "FIRE." A FLAME explodes from the gun.

CYBORG

Booyah!

The fart IGNITES. A large fireball strikes the creatures. **SIZZLE! CRACKLE! POP!** The creatures disintegrate into black ashes.

Robin, Starfire, Raven, and Cyborg **SIGH** in relief. A FOUL STENCH floats towards them. Their noses crinkle.

BEAST BOY

(proudly)

Tofu farts!

RAVEN

Deadly.

FUMES envelope them.

ROBIN

I think I'm going to be--

Robin bends over, projectile **VOMITING**.

STARFIRE

--sick.

Cyborg, Raven, and Starfire turn green. Without warning they **HEAVE**, again and again.

EXT. BEACH BLANKET - A MOMENT LATER

Silkie grabs a DRUMSTICK from the bucket of chicken. Yellow-green fumes envelope her. Silkie **SNIFFS** the air, and **COOS in delight**. She **SMACKS** her lips, and **SUCKS** the chicken bone dry. She tosses it away, **BELCHING**.

FADE OUT.

THE END
